NCR-SARE Administrative Council
2006-2010
Farmer-Rancher Grants

- Determine a clear project goal. Demonstrate the ability to articulate your idea.
- Explore previous research. Search reports from other projects in SARE database.
- Get support from NRCS, local ag groups, University Extension, State SARE coordinator. Share ideas. Invite their participation.
Looking for innovative ideas that solve problems on the farm or ranch.

Have an outreach and networking plan. Share information with others.

Follow instructions!
- Projects are categorized by type (i.e. livestock, crops, outreach, etc.)
- Each project reviewed by 7-10 people from various backgrounds including farmers and ranchers who have had successful Farmer-Rancher Grants as well as agency personnel and other volunteers
- 50 projects are usually funded
